

Descendants of JOHN L. LADD

Generation No. 1

1. **JOHN L.¹ LADD** was born Abt. 1821 in NY, and died Aft. 07 Aug 1863¹. He married **Rachel** _____. She died Unknown.

Notes for JOHN L. LADD:

Fed. Census 1850 for Wisconsin has this record:

John L. Ladd, age 29, male, lumberman, no property value given, b. in NY

Racheul Ladd, age 30, female, b. in NY

Charles Catchball (or perhaps Catchbull), age 5, male, born in WI [thus, born about 1845].

(There are indications that persons with the surname of Catchpool or Catchpole were living in Wisconsin during that time. Whether this is any clue to the identity of the child is an open question.

There were many other Ladds in WI in 1850 according to this census record.

John held an original patent on 320 acres of land in Grant Co., WI. It was located in W 1/2 of SW 1/4 and the S 1/2 of NW 1/4 and S 1/2 of NE 1/4 and N 1/2 of SE 1/4 of Sec. 4, Twp. 5N, Range 4 West, Little Grant Township, Grant County, Wisconsin. He bought it Dec. 15, 1854 and the patent was issued June 1, 1858. It was Cert. No. 22,680. Some of this land is now part of the land owned by Edward Klein. The abstract for the Klein farm only shows the N 1/2 of the SE 1/4 part of this land. John purchased this land for \$160. On March 3, 1855 he and his wife Rachel mortgaged the N 1/2 of the SE 1/4 part ("and other lands") to the Milwaukee & Mississippi Rail Road Co. for \$5000, and sold it ("and other land") to Simeon N. Small on Aug. 7, 1863, subject to the mortgage. How much of the other land besides this one tract he sold at the same time is not known in July of 1998. (Sources: Image of original land patent from the Web; abstract to the Edward Klein property; plat map of Little Grant Twp. dated 1997.)

Child of JOHN LADD and Rachel _____ is:

+ 2 i. CHARLES HENRY² LADD, born 25 Jul 1846 in Racine, WI; died 29 Feb 1924 in Ripley, OK.

Generation No. 2

2. CHARLES HENRY² LADD (JOHN L.¹) was born 25 Jul 1846 in Racine, WI², and died 29 Feb 1924 in Ripley, OK. He married **HENRIETTA "Ettie" MARIE RICHMOND** 10 Dec 1865 in Warren, Jo Daviess Co., IL³, daughter of CHARLES RICHMOND and FIDELIA WARE. She was born 04 Sep 1850 in Ashtabula, OH⁴, and died 16 Jan 1918 in Ripley, OK.

Notes for CHARLES HENRY LADD:

CHARLES HENRY LADD, according to his military record, volunteered and was inducted into the Army, Company "G", 6th Regiment of WI, at Madison, WI on Jan. 16, 1864 at the age of eighteen years. His residence was given as Grant Co., Boscobel, WI. His rank was Pvt. On July 14, 1865, the following year he mustered out at Jeffersonville, IN. The military muster shows blue eyes, dark hair, dark complexion, 5'7" tall, and his occupation as a farmer.

(It should be noted that there is no other indication that the family ever lived in Boscobel. In 1860 John's family lived in Millville, which also is in Grant county. He apparently went to Boscobel to make contact with the military and start the induction process.)

On Dec. 10, 1865 Charles Henry Ladd married Henrietta Marie Richmond in Warren, JoDavies Co., IL. Apparently they settled in WI after their marriage. The 1880 Census shows that their first and second children were born in Wisconsin. The 1880 Federal Census of West Cherry Township, Montgomery Co., KS lists him as a farmer. Information in the Cherryvale, KS, library states: 1881 Platt West Cherry Township Owners: C. H. Ladd; PO Brooks; b IA; to County 1877; "Farmer and dealer of thoroughbred cattle". In the 1900 Census he indicates that his father was born in Wisconsin. His wife, Henrietta, indicates that her father was born in PA and her mother in OH. Her sister, Dora Orlena Richmond, later lived in California.

According to the Family Bible records, and the 1880 census, they had moved to Dickinson Co. in Iowa where two children were born, and then on to Neodesha, KS where they lived until 1891. By this time their family has increased to 5 daughters and 5 sons.

In the year 1891, Charles and Henrietta moved to Clayton Township, Payne Co., OK where they leased land to farm in Indian Territory. Their household goods and some of their farming equipment were moved by train. Some of the children and Henrietta also travelled by train. However, some of the children, including Irvie [age 8] came with their father to help drive the team, Old Baldy and Spot, and herd the livestock over the long trail.

In the fall of 1892, the family moved to a 160-acre farm near Stillwater. They acquired this homestead by trading a team of mules and a wagon for it. About a year later, the last child, Ruth Etta, was born in April of 1893.

The Ladd family prospered on the farm near Stillwater. They raised grain and a large garden. Their cash crop, however, was cotton. Many black laborers, called servants, were used. About 1904, Charles Henry and Henrietta bought a large modern, wooden

frame house in Ripley, OK. [See a photograph in the Ladd Photo Album.] The rest of their lives were spent there. Henrietta passed away on January 16, 1918 at the age of 67, and Henry died on February 29, 1924 at the age of 77.

One of the memories of the grandchildren was of their Grandfather Charles Henry visiting them driving a new car with brass head lamps. It was a Touring Design car with leather straps running from the fenders up each side to the windshield. He locked it with a padlock latched to a large chain run through the wheels.

Charles and Henrietta were sturdy pioneers and courageous enough to help settle one of the wild mid-western states, OKLAHOMA.

The federal census of 1910 for OK showed:

Ladd, Charles H., age 65, b. in WI, fr b NY, mtr b NY Payne Co. - E.D. 55-185-16

Ladd, Henryetta M., age 59, b. OH, fr b PA, mtr b OH

11 children, 9 living.

Information from Gary Gooch on 27 Aug 1997:

1880 census showed him living in Cherryvale (Montgomery Co., West Cherry Twp.) KS, occupation, farmer.

Cherryvale Libr. had, as of 1881: "1881 Platt West Cherry Township Owners: C. H. Ladd; PO Brooks; B IA; to County 1877; Farmer and dealer of thoroughbred cattle."

1885 KS State census lists the family in W. Cherry Twp.; the 1890 census does not show them there.

1900 Fed. census reports his fr as born in WI.

1910 Fed. census reports the family in Payne Co., OK, Cimmaron Twp.; he reported his father was born in New York.

Death certificate gives his father's name as John Ladd.

Gary includes this short account: "Nila (Ladd) Haskin & Ruby (Ladd) Gooch

(granddaughters) say that a man who showed a striking resemblance to Charles Henry's picture showed up one day and said that he was Charles Henry Ladd's brother. This man said that Charles Henry's real name was Catchapaw (Catchabaugh?), and that he was adopted by the Ladd's at an early age. Nila said that he (the visitor) said that he always gave a magnolia tree to the youngest child of the family, and that she was really looking forward to the magnolia tree, but that they never heard any more from him. Ruby said that he told them that he owned a nursery in Oklahoma City, and that he always gave . . . etc. He spent the night with Everett Ladd."

No definite proof has been made of this event, and other stories have been heard by other cousin lines of the family with different versions of this type of story. These stories indicate that his last name may have been Cachapaw. This is still undetermined and no proof has been found.

Another possibility could be that Rachel had a previous marriage, and that Charles Henry was from that marriage, and came to live with John Ladd through the marriage to Rachel.

There is no proof of this, however.

Notes for MARY MATILDA 'Mamie' ANDERSON:

Mary was born on Thanksgiving Day. Her parents, Andrew Gustas "Gust" Anderson and Susan Emily (Coffman) Anderson moved from Bluffton, IN to Central City, NE before the birth of their first child in 1876. On Nov. 27, 1892, they moved to Guthrie, OK, remaining there until 1897 when they moved to Perkins, OK. They later lived near Agra, OK.

.....

A STORY ABOUT GRANDMA'S APRON

The principal use of Grandma's apron was to protect the dress underneath, but along with that, it served as a holder for removing hot pans from the oven. It was wonderful for drying children's tears, and on occasion was even used for cleaning out dirty ears.

From the chicken-coop the apron was used for carrying eggs, fussy chicks, and sometimes half-hatched eggs to be finished in the warming oven.

When company came those aprons were ideal hiding places for shy kids. And when the weather was cold, grandma wrapped it around her arms. Those big old aprons wiped many a perspiring brow, bent over the hot wood stove.

Chips and kindling wood were brought into the kitchen in that apron. From the garden, it carried all sorts of vegetables. After the peas had been shelled it carried out the hulls. In the fall the apron was used to bring in apples that had fallen from the trees.

When unexpected company drove up the road, it was surprising how much furniture that old apron could dust in a matter of seconds.

When dinner was ready, Grandma walked out onto the porch, waved her apron, and the men knew it was time to come in from the fields to dinner.

It will be a long time before someone invents something that will replace that "old-time apron" that served so many purposes.

Beaver Pioneer Cemetery

Beaver County, Oklahoma

Submitted by Gaye Hershey

Location: Sec 25, Twp 4, Range 23

The cemetery is one half mile south of Beaver, one half mile west of US 270. September 27, 1917, a group of people formed a corporation known as the Pioneer Cemetery Association. They agreed to buy ten acres of land from Jessie Mae (Weir) Fickle to be used as a burial ground. There had already been some burials on this land, the first being a man named King. The cemetery record book states that he was an old Rebel from the South. He died in the Jim Thompson Hotel, supposedly from burns, and was buried on a little knoll southwest of Beaver about 1885. The second and third to be buried there were men named Bennett and Thompson, who were killed by vigilantes in 1886 or 1887. Many more burials were made on this site through the years, but the graves were either unmarked or poorly marked and time has erased almost any sign of the graves, so there are several "unknown" graves in the present Beaver Cemetery. There are about 2000 identifiable graves, making this by far the largest cemetery in Beaver County.

Notes for RUBY LEOLA LADD:

Teresa Yates sent the following by email on 30 Dec 2006.

I found my grandmother's birth certificate [Ruby Leola (Ladd) Anderson] and it spells her Mom's name [wife of James Ernest Ladd] different. Instead of Mary Ealen, it is listed as Eland - Gaut. I know that it could be the spelling of the one filling out the form rather than the parents themselves.

I also came across a poem that my Grandmother wrote about her mother. It appears that she wrote it soon after her mother died. She titled it, "Mother."

Mother dear I'm thinking of you
 Though we now are far apart,
I have your loving image
 Always here within my heart.

Your smile is here to cheer me
When I'm alone and sad
And to know your love is with me
Always makes me feel so glad.

When I think of how from an infant
You have been my constant guide,
When I needed love and comfort
You were ever by my side.

How you planned and toiled untiring
Tho the years were hard and long.
And your prayer for me dear mother,
That I grow up brave and strong.

Now the courage that you gave me
Keeps me strong to carry through,
And perhaps ere long dear mother
I'll again be seeing you.

November, 1949

Overton Cemetery
Beaver County, Oklahoma

Submitted & © 2003-06 by: Gaye Hershey

Location: S2-T3-R22

To go to the Overton cemetery from Beaver, go west 6 miles on the Airport Road, south 3 miles, west 1, and then south ½ mile. The cemetery is on the west side of the road. Mr. Overton donated land for this cemetery in the early 1900's. At one time there was a Methodist Church located in one corner of the cemetery. There are 25 graves with legible markers with the oldest being 1908. There are several graves that are marked only with a pile of stones or a stick. WPA workers marked some with cement markers, in the '30s and painted the names on, but the paint has worn away. There were some depressions that may have been graves, but there were no markers. The last burial was 1995.
