

## Confirmations of St. Paul Lutheran, Seanor 1827 - 1870

The names are spelled here as they were in the original text. Early classes are divided by sex. The numbers which follow the names indicate the order in which they were entered. These numbers and the year of confirmation given in the lists below are correspondent with the index. There were 331 persons confirmed in the period covered by this book. The ages for the confirmands in a few years are given in a third column to the right of the names.
