INHERENT SURGEON CLAIMS CANCER CAN NOW BE PREVENTED.

Cancer is a great human enemy. It is increasing by leaps and bounds. If anything it is increasing more rapidly in the United States than it is in the British Isles. Of those now living in a British Isles, 5,000,000 are doomed to die of cancer if they do nothing to prevent it. In the United States the doomed number is 10,000,000 and might easily rise to 15,000,000 or 20,000,000. This remarkable statement is made by Sir W. Arbuthnot Lane, F.R.S., one of the world's most eminent surgeons and dietitians, in an article appearing in the June 20th issue of the "Dearborn Independent".

According to Sir Arbuthnot, cancer is not caused by the bacillus that scientists have so long sought and not yet found, but rather by poisons created in the body by the food that is eaten. It is a filthy disease, and its prevention is accomplished by keeping the digestive tract thoroughly drained of its accumulations.

Continuing the Doctor says: "What we should do then, if we would avoid cancer, is to eat whole fruits and vegetables, and to keep the digestive tract thoroughly drained of its accumulations."

BRIGHT, BREEZY CAMPERS VISIT THE "JOURNAL" OFFICE.

We were highly honored Monday morning by a visit from a bevy of handsome young ladies. They proved to be a club of High School girls from New Kensington in charge of their teacher, Miss Helen Duffy, daughter of the late Peter Duffy, of this place. They are camping for two weeks at Glencairn and had come over to look the village over. They were as well behaved a bunch as we have ever seen in the town and were a credit alike to their teacher, the school and the town they were from. It did us a lot of good to see the granddaughter of our old comrade, George Atkinson, occupying the position she does.

The members of the club are Misses Mildred Wareham, Martha Endean, Ruth Hanna, Dorothy Zetler, Elizabeth Wareham, Patricia Sullivan, Pauline Cooke, Nan Cloake, Clara Terwilliger, Mildred Owens.

LEGION DEDICATES PERMANENT AMERICAN LEGION ENDOWMENT FUND.

Indianapolis, Ind.

Amid the flags and standards of the fifty-seven departments of The American Legion at home and abroad, with "Old Glory" streaming from every window and to the strains of the nation's holy songs, the new permanent national headquarters of The American Legion was dedicated here recently with stirring ceremonies commingling memory of service done and pledges of service for future years.

Formal presentation of the building, which is the first unit of Indiana's great \$ 16,000,000 World War Memorial Plaza project and was completed at a cost of \$ 350,000, was made to the Legion, the Legion Auxilliary and Forty and Eight. Governor Ed. Jackson, himself a Legionaire, represented the people of the state of Indiana, the county of Marion and the city of Indianapolis, who joined in the plaza project, in proffering the edifice.

Formal acceptance was made on behalf of the Legion by National Commander James A. Drain and on behalf of the Auxilliary by Mrs. O. D. Oliphant, its National President.

AMERICAN LEGION ENDOWMENT FUND.

The Committee in charge of the American Legion Endowment Fund report that \$ 689.21 has been paid in on this Fund. The quota assigned to Freeport is \$ 960. Other communities have received and exceeded their quota and we hope Freeport will not fall behind. The Committee is of the opinion that some may have been overlooked in making the canvass and if this is true they would appreciate if those wishing to make subscriptions or increase the amount already paid will please see one of the Committee as early as possible.

45,000 children have been left orphans as a result of the war, more than 60,000 veterans are in hospitals, many of whom will never regain their health. Let us not forget the debt we owe to these and contribute liberally to this worthy cause. Contributions can be made to any of the following Committee, Paul Reichard, Dr. C. A. Rogers, R. H. McGraw, R. R. Kuhn or Clarence Hoak.

JUST TO DUST.

TARR.

Dr. Robert F. Tarr died in his office at Kittanning, Wednesday, June 17th, 1925, of uraemic poisoning in his 65th year. He had been attending to business, having answered a call to Mosgrove the night before, but was taken violently ill and died within a few hours. He was the son of George Tarr, proprietor of a hotel where the Commercial House now stands, and was born in Freeport, December 28th, 1860. He was educated in the Freeport Public Schools and Elderton Academy. He learned Telegraphy and was employed by the P. R. R. Company for several years when he studied medicine and has been practicing in Kittanning since 1902. He is survived by one daughter, Mrs. Watson Bowser, of Kittanning. Frank was a genial, well behaved lad when a boy who had a number of friends who remember him kindly and will be sorry to hear of his death.
